

Schriftfälschungen von Hemming

Olaf Hemming, der 2001 ermordet worden ist (siehe <http://www.sanskritweb.net/forgers/osteuropa1.pdf>), verkaufte über die Firmen Hemming GmbH (später Hemming AG), Software Exclusiv GmbH, Mustang usw. nicht nur die in unseren zwei Dokumenten über die CD "**Schriftenpaket Osteuropa**" (Osteuropa1.pdf und Osteuropa2.pdf) beschriebenen Schriftfälschungen, sondern verhökerte überdies diverse andere CDs mit Schriftfälschungen. Dazu gehört z.B. die CD "**888 Schriften + 222 Osteuropäische Schriften**", die Mitte 1998 erschien und mit der zuvor in 1997 mit dem Label "Mustang" erschienenen CD "**1000 Fonts**" weitgehend identisch ist, wobei allerdings auf der "1000 Fonts" CD die Osteuropa-Schriften fehlen:

Eine andere mir vorliegende CD wurde unter dem Titel "**1000 Schriften**" (statt unter "1000 Fonts") wieder unter dem Label "Hemming" (statt "Mustang") verhökert. Diese andere CD enthielt ein buntes Gemisch von Schriftfälschungen, teils im TTF-Format und teils im PS-Format, aber auch oft mit den richtigen Font-Namen (z.B. Helvetica). Eine weitere ähnliche CD erschien als "**1000 Schriften 3**". Vermutlich gab es auch noch eine CD "1000 Schriften 2", die mir aber nicht vorliegt. Auf eine Auswertung all dieser "1000 Schriften"-CDs habe ich aus Zeitgründen verzichtet.

Nachfolgend beschreibe ich die CD "**888 Schriften + 222 Osteuropäische Schriften + Euro Fonts**", wobei ich die Osteuropäischen Schriften ausklammere, da ich diese bereits in den anderen Dokumenten Osteuropa1.pdf und Osteuropa2.pdf dokumentiert habe. Interessanterweise umfassen die westeuropäischen Fonts auf dieser CD nicht "888 Schriften", sondern exakt 1258 Schriften. Vermutlich hat Olaf Hemming beim Fälschen all dieser Fonts nach und nach den Überblick verloren. Dies gilt auch für die Namen der gefälschten Schriften. Beispielsweise hatte die Fälschung der "Wilhelm Klingspor Gotisch" von Rudolf Koch auf der CD "888 Schriften" noch ihren richtigen Font-Namen (siehe unten Seite 47), außer daß der Linotype-"Copyright"-Vermerk durch den Vermerk "Converted by ALLTYPE" ersetzt wurde, während die "Wilhelm Klingspor Gotisch" auf der CD "**Schriftenpaket Osteuropa**" in "Winifred Gothish" umbenannt wurde (siehe das Dokument <http://www.sanskritweb.net/forgers/osteuropa1.pdf>, Seite 11).

Es sei bemerkt, daß die diversen alten Hemming-CDs immer wieder auf Ebay zum Verkauf angeboten werden.

Ulrich Stiehl, Heidelberg, März 2007

Die "Westeuropäischen Fonts" der CD "888 Schriften + 222 Osteuropäische Schriften"
